

Group A Diary — 7.07.2026

Backend Team: Andrejs Grisin, Vitalina Alipova, Anastasia Petrova, Alan Kurilov

Frontend Team: Igor Sieradzki, Anca Morosan, Arushee Kumar, Kunal Sharma

Backend Team

Anastasia, Andrejs, Vitalina completed code refinement, wrote documentation, refined the report, and prepared the live demo and presentation text.

Alan added the introduction to the report.

Frontend Team

Igor, Anca, Kunal, Arushee prepared the poster for the presentation

Summary

This week, the Backend team wrapped up code refinement and documentation, polished the final report (including a new introduction), and got the live demo and presentation materials ready. The Frontend team focused on designing and preparing the poster for the upcoming presentation. Overall, the group is on track and presentation-ready, with both technical and visual materials finalized. The report will be submitted after 18. July.
